at YORK MERCHANT TAYLORS' HALL

MGC 46L

THE COMPANY OF  
MERCHANT TAYLORS

Steeped in history, with medieval beams, stained glass windows, a roaring fire in cooler months, and a magical atmosphere year-round, our 15th century Hall offers a romantic and unforgettable venue for your wedding celebrations.

Set in the heart of York against the city's ancient walls, the Hall offers a choice of 3 spaces that can be used separately or combined to accommodate 40 – 120 guests.

All our spaces are flexible so you can lay them out as you'd prefer, and dress them with flowers and decorations to make your special day as unique as you are. If you'd like a helping hand with your ideas, we can put you in touch with some amazing stylists and suppliers too!

There's a lovely garden for photographs, your drinks reception or just for you and your guests to enjoy, and as a licensed wedding venue, we offer ceremony and reception, or reception-only celebrations.

*We'd love to meet you to discuss your very special day.  
Please call Tanya to arrange a venue visit on  
01904 624889*

Our dedicated staff will work with you throughout the planning stages to make sure everything is just as you'd like it, and be with you on the big day to ensure everything goes smoothly.

Our preferred caterers are each hugely experienced in event catering and can create a wide choice of menu styles at prices to meet the most demanding of budgets. They'll work with you to create a buffet, set meal or banquet menu of delicious food and drink to enhance your special day.

There's a fully licensed bar offering real ales, pump beers, spirits and wines too!

We're an accessible venue for wheelchair users and can offer free on-site parking (up to 10 spaces) for any guests with disabilities and the bridal party. There's a car park with hundreds more spaces only 400 yards away.

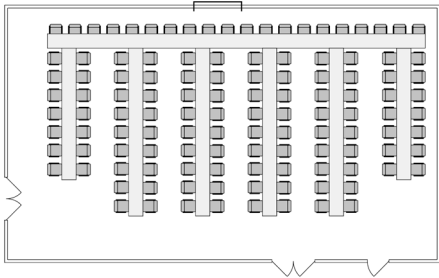

York train station is just a 15 minute walk, or short taxi journey, for your guests travelling from further afield.

As a registered charity all income we generate from weddings at the Hall is reinvested in the maintenance of this magnificent Grade 1 listed building, or given in grants to projects involving young people in York to develop their skills in art, craftsmanship and music.
